70th Annual National Conference of Indian Psychiatric Society
5th-8th February 2018
Central Institute of Psychiatry, Ranchi

A Journey in Psychiatry: From Morals to Molecules
Dear Esteemed Colleagues,

It is time for us to look forward to congregate once again at our Annual National Conference that is being held at Ranchi, in Jharkhand state, from 5th to 8th February 2018.

Jharkhand is an ancient land. Mother Nature is at her munificent best here - showering the blessed land with unending thick forests and immense mineral wealth. The Damodar Valley of this state is very rightly called as the “Ruhr of India”! The virile indigenous and other inhabitants of this state are great soldiers and excel in sports. The capital city Ranchi which most aptly traces its name to a bamboo grove is now known all over the world because it is home to a cricket icon called Dhoni. Ranchi is an education hub of high quality in this part of the country.

Ranchi’s connection to psychiatry is something that is worthy to be inscribed on stone. Central Institute of Psychiatry (CIP), born initially as the European Mental Asylum in 1918, has been the nursery of psychiatry in India. The very first steps of modern psychiatry in India were taken here. The institute continues to steam vigorously ahead on the golden rails laid by persons with vision! CIP’s contribution to Indian Psychiatric Society is no less important. Some of the Society’s Greats had left their indelible foot prints here.

We are assembling at the hollowed place throbbing with history, memories, enthusiasm, energy, professional excellence and above all abiding commitment to march ahead into the future. Coming here will be nothing short of pilgrimage for us all.

Ranchi is always cool. In February it will be cool enough to make us come together seeking the warmth of professional exchanges with kindred souls from across the globe. ANCIPS 2018 will give us a unique opportunity to have a perspective of a century of psychiatry in India. It will also give us an opportunity to take stock of what we have and what we can have to march ahead with firm steps in tandem to deliver quality mental health service to our people.

The itinerant delegate must also plan to visit the many waterfalls of the state, seek audience with its tigers and elephants; touch the fabric of its vibrant culture and the “Chhonka” of Jharkhand cuisine!

The organising committee headed by Prof. D. Ram and Dr. Sanjay Kumar Munda is working tirelessly to make ANCIPS 2018 an unforgettable aesthetic and intellectual experience for us all.

Let us collect at the “Bamboo Grove City” in full strength to update our knowledge; discuss, deliberate and plan for our future and pursue our quest for excellence.

WELCOME TO ANCIPS 2018
LONG LIVE INDIAN PSYCHIATRIC SOCIETY

Dr. Gautam Saha
Hon. General Secretary

Prof. (Brig) M S V K Raju
President
Indian Psychiatric Society
Dear Colleagues,

Warmest greetings from ANCIPS 2018!

Welcome to the mineral rich land of Bhagwan Birsa Munda!

It gives us immense pleasure to invite you all to the 70th Annual National Conference of Indian Psychiatric Society, 2018 (ANCIPS 2018) to be held on 5 - 8 February 2018 at Central Institute of Psychiatry, Ranchi. The Conference promises to be an academic & cultural feast with confluence of over 3000 Delegates from across the nation & abroad. We would be delighted to have you here in Ranchi to share your experiences and to contribute to the development of future trends in Psychiatry. Your presence will surely enhance the scientific level of this educational gathering.

A city of beautiful water falls, mesmerizing lakes, and dense forests, Ranchi is the capital of Jharkhand. Blessed with numerous waterfalls and lakes, Ranchi is also known as the "City of Waterfalls". Ranchi has been selected as one of the hundred Indian cities to be developed as a smart city under PM Narendra Modi’s flagship Smart Cities Mission. Ranchi is well connected with a network of good roads, railways and flights. There are a number of State Highway and roads connecting one place of the district with other places within and outside the district. By Air there is a landing airstrip popularly known as Birsa Munda Airport. Ranchi is connected with almost all the major cities of the country through air. Ranchi has frequent flight for Delhi, Mumbai, Kolkata, Bangalore, Patna, Raipur, Hyderabad, Ahmedabad & Jammu etc. Rest of the states are connected through rail.

We look forward to welcome you in the pleasant weather of February and hope that Ranchi, a city where the future is being crafted adds aroma to the environment of this scientific meeting.
